

# African Construction Awards - 2019

Powered by: NAFBI

## 12 June 2019

Gallagher Convention Center  
Johannesburg, South Africa

Incorporating:

The African Construction Awards, powered by the National African Federation for the Building Industry (NAFBI), recognises key players in the construction sector. The Awards incorporate the 6th annual Women in Construction Awards and highlight the year-round pursuit of excellence that is demonstrated through the passion of leading professionals, entrepreneurs and rising stars working in the sector. The prestigious evening and gala dinner will be attended by 300 guests.

Submit your nomination, meet the esteemed panel of 2019 judges and for additional information visit [www.africanconstructionawards.com](http://www.africanconstructionawards.com)

## Post event summary of 2018

The African Construction Awards Gala Dinner, powered by NAFBI, recognised key players in the construction sector.

The Awards were not only about one night of celebration, but a year-round pursuit to highlight the best of the industry and to demonstrate the passion of those working in the sector. Over 280 guests attended the evening that recognised over 30 finalists who were adjudicated by a panel of over 10 leading industry experts.
